VARSITY TO GET ANOTHER COACH

Holmes Not a Candidate for Position Next Year.

HAS MADE A GOOD RECORD BROUGHT ONLY FIRST-CLASS TEAMS TO SALT LAKE.

Harvey Holmes, coach of the university football team, will not be a candidate for re-election for that position again next season. The information was given out last evening by Holmes and comes quite as a surprise to his many friends in this city. It was rumored yesterday that Holmes had decided to take this season and that he had sent a letter to President Kingsbury to this effect. Mr. Kingsbury was seen last evening and said that he had not received such information from Holmes, although a letter might have been sent to him at his desk at school. Mr. Holmes was then seen and said it was true, and allowed a reporter of The Herald to see a copy of the letter, which was as follows:

Holmes' Letter to Kingsbury.
"President J. T. Kingsbury:
"Dear Sir: It has been my earnest endeavor to work up athletics at the university and to bring them on a plane with the great universities outside of the state. With this end in view we have contested with the best teams in California, Oregon, Idaho, Montana, Wyoming and Colorado, asking for athletic contests. Some of these schools did not take the trouble to answer letters received from this university three years ago.

"We have had many obstacles and disadvantages to meet, and this year especially we just had a heavy season. I wish to thank those loyal students who supported the team and attended the games better than during any previous year. The fact that it was a certainty that the team would not be a dinner. I feel that after this school year I should devote my energies along the more remunerative, and at the same time more useful allied to the work for which I especially prepared. I am not a candidate for re-election as assistant professor in my present department for the school year 1904-5. Thank you and the university for the courteous treatment I remain,

Yours truly,

(Signed) "H. R. HOLMES."

Holmes Has Good Record.

Coach Holmes has had charge of the university football team for the past four years, and has won the state school championship every year except the season of 1900-1, when the Aggies of Logan captured this honor. The "varsity" team was unfortunately the last season in not having the best form a strong team, and their line-up was composed almost entirely of prep students who hardly outweighed a high-school team. However, the team did play very good work, and was defeated by only one team in the state, the Aggies of Logan. Holmes deserves great credit for giving Utah football fans the best class of sport that could be found in the west. Since he took charge of the "varsity" team, Salt Lake has seen such teams as the Carlisle Indians, Stanford, the strong Nevada team and the leading team in Colorado at a local gridiron. It is a part of Holmes' policy to give Salt Lake the best football obtainable. He did not hunt for the team that would give him the quality, bring them here and then defeat them by a large score and claim credit for so doing. He went to good football teams, and he has done more to place football on a level with other sports than any other coach who has been pursued. Holmes will continue to charge of athletics for the rest of the year and arrange a schedule for Utah for next year, one that could have been pursued. Holmes will remain ever, remains to be scheduled on account of the two-year policy adopted by Holmes. Under this plan, every team has a game arranged with four teams. One is at Fort Collins, Colo., another at Denver, Boulder comes to Salt Lake and the team from the University of Utah comes here on Thanksgiving day will give the "varsity" five big games next year, or one every two weeks during the playing season.

BASEBALL ON CHRISTMAS.

Great Game Played in Nevada by Salt Lakers.

A letter to The Herald from Overton, Nev., brings particulars of a baseball game there that was an unusual event for two reasons. It was played on Christmas day and it resulted in a score of 15 to 13 after fourteen innings of the most exciting play. The team calling itself the Moose club was composed chiefly of the players of the Salt Lake team, most of the players being young men well known in Salt Lake. They played against the Overton nine.

The score was tied in the eighth inning, and from that time on the game was made until darkness ended the struggle. The whole neighborhood turned out to witness the game, and a record contest for southern Nevada. Crayton, the pitcher of the Moose club, was the star of the game, and his performance was a most memorable and enjoyable one. Will Reilly of Salt Lake made a spectacular outfield catch on the fly close to the ground, and Dick Miller, another Salt Laker, pitched a great game for the Moose club. Gibson, Berry, Henderson, Ky., a former West Point player, was catcher for the Moose and played a magnificent game. The lineup was as follows:

Overton. Miller. Mckenzie. 88. Bert Miller. 80. Berry. 81. Berry. 82. Berry. 83. Berry. 84. Berry. 85. Berry. 86. Berry. 87. Berry. 88. Berry. 89. Berry. 90. Berry. 91. Berry. 92. Berry. 93.
